Parties Absent

Petitioner's Lawful Attorney Present for Petitioner

**By Court - Judgment:**

I have carefully read the Petition for Divorce presented by the Petitioner herein. I have read the Respondent's Affidavit of Consent. I have further considered the evidence-in-chief of the Petitioner's Lawful Attorney on record including Exhibit A (a Power of Attorney).

In light of all the evidence on record, I find that the Parties herein have differences that are obviously irreconcilable.

Upon this fact, I find and hold that the Ordinance Marriage celebrated between the Parties on the 24<sup>th</sup> day of July 2015 at the Adentan Municipal Assembly Marriage Registry in Adentan, Accra has broken down beyond reconciliation. **(See Section 2 (1) (f) of the Matrimonial Causes Act, 1971 (Act 367)).**

I accordingly dissolve the said marriage under the Ordinance this **2<sup>nd</sup> day of October, 2023**. The Registrar of this court shall cause a Divorce Certificate to be issued to the Parties after cancelling their marriage certificate; which the Petitioner's Lawful Attorney shall file as soon as possible.

I make no award as to cost.
