**RULING ON MOTION EX-PARTE FOR LEAVE TO SERVE ENTRY OF JUDGMENT
PURSUANT TO JUDGMENT ENTERED AGAINST THE DEFENDANT BY
SUBSTITUTED SERVICE**

Counsel for and on behalf of the Plaintiff/Judgment Creditor/Applicant filed an Ex-
parte Motion for leave and an order to serve the entry of Judgment pursuant to the

judgment entered in favour of the Plaintiff against the Defendant by substituted service on the following grounds:

1. That the Plaintiff/Judgment Creditor had judgment on 28/7/2023 against the Defendant for the balance of GH¢25,000.00 inter alia being financial assistance owed by the Defendant. A copy of the judgment marked as Exhibit 'A' was attached.
2. That the Plaintiff/Judgment Creditor has prepared an entry of Judgment to be served personally on the Defendant/Judgment Debtor. A proposed Entry of Judgment marked as Exhibit B was attached.
3. That Exhibit B shows the details of the said Judgment.
4. That the Defendant abandoned attendance in Court for a while even before Judgment was entered against him.
5. That it has become necessary for the Plaintiff/Judgment Creditor/Applicant to seek leave of Court and an order to serve the entry of Judgment on the Defendant/Judgment/Debtor by Substituted Service.

I have listened to the submission by Counsel for the Plaintiff/J/Creditor/Applicant and perused the averments in the Affidavit in Support and it is my finding that the Application is consistent with the required procedure. I therefore grant the Motion and order the Plaintiff/Judgment/Creditor to serve the entry of Judgment and related annexures on the Defendant/Judgment/Debtor by Substituted Service by posting same at the following places.

- i. On the Defendant/Judgment/Creditors place of abode at unnumbered house at 'Africa' a suburb of Akuse.
- ii. On the Notice Board, District Court, Somanya.
